## St. Mary's Preparatory School - Prep Building II

St. Mary's founded in 1885 is a Co-Ed Catholic, college preparatory high school with Polish American heritage. St. Mary's exists to provide deserving students with the moral guidance, discipline, and education to become Christ-like models of service and leadership for the world. A campus expansion was completed in 2022 that added 22 state-of-the-art classrooms as well as collaboration areas.

PDQ hardware was used throughout the expansion. The new classrooms were outfitted with MR148 Series mortise locks (classroom function). At the main entrance's security vestibule, visitors are buzzed in using an MR mortise lock with electric strike. 6200 Series exit devices and 6EW exit trims were used on exterior and interior fire rated doors. Other PDQ products included 7100 Series door closers, hinges and assorted flat goods.

**Product(s) Used:**

- MR Mortise Locks
- 6200 Series Exit Devices and Trim
- 7100 Closers
- Hinges
- Flat Goods
