Yotel – Miami

YOTEL Miami is the global hospitality brand's first ever combined YOTEL Hotel and YOTELPAD concept – the hotel of the future! YOTEL Miami boasts 222 cleverly-designed rooms while YOTELPAD, situated right above the hotel, features 231 sleek apartment-style pads. A landmark location fueled by ultra-modern amenities, guests can experience two on-site restaurants and bars, pool deck and state of the art gym. With innovation at the forefront, travelers will also benefit from check-in under a minute via self-service stations, Smart Key mobile entry, in-room mood lighting, and amenity delivery via concierge robots.

Built in 2022, The groundbreaking Yotel is outfitted with a full suite of PDQ door hardware including: GT Series Cylindrical locks on doors to common areas, storage and utility rooms, SD Series cylindrical locks on doors within guestrooms, 5501 Series door closers, 6200 Series Exit Devices and trim, 4200 Series Exit Devices and trim, hinges, and assorted flat goods.
