Naples Square

Quattro is the fourth phase at Naples Square, a walkable/bikeable community located at 5th Avenue South and Goodlette-Frank Road. The 65 Quattro residences will live like a single-family home and will be on a single level. Each plan includes luxurious appointments fitting for a custom home and open-concept spaces featuring large great rooms, dining rooms, over-sized island kitchens built for entertaining, spacious covered outdoor terraces, multi-functional dens, light-filled owner's suites, and elegant guest suites, some of which open to the outdoor balconies. Quattro is a unique blend of British West Indies and Coastal Contemporary architectural styles created by the renowned MHK Architecture & Planning.
